

DRUM TOP LIDS - METAL

Perfect solution for open top steel drums, trash cans and expanded metal baskets

- Fire safe steel construction
- Door hinges are zinc phosphate treated to resist rust
- Contoured door is equipped with rubber bumpers for silent operation
- Galvanized steel base
- Three adjustable thumb screws assure tight fit (included)
- High temperature baked enamel finish wipes clean with a damp cloth
- PDDT30 models fit 30 gallon drums and PDDT55 models fit 55 gallon drums and expanded metal street baskets
